## Judge Puts Several on Probation

Mary Thornton, 28, who was found guilty last Friday of three counts of burglary and two counts of larceny, was placed on probation Monday in Circuit Court.

Judge Leslie B. Grant gave Mrs. Thornton a suspended six years sentence to the state penitentiary for the burglary charges. She was placed on probation for the larceny charges.

The sentencing of her husband, George Thornton, 26, and Charles Gager, 26, also pleaded guilty to the charges involving residential burglaries in Waveland, was deferred by the Court until February 22 when they were scheduled to appear for sentencing.

Richard Hill pleaded guilty to burglary and larceny and was given a suspended six-month sentence and \$500 for costs of court and to defray expenses of the city to bring him back from the state.

Robert Clark, charged with pointing a gun, aiming and discharging a firearm November 18 in the Clerk's office, pleaded guilty to the charge and was given a suspended six-month sentence and \$500 for costs of court and to defray expenses of the city to bring him back from the state.

William F. Collins, who pleaded guilty to unauthorized use of a vehicle, was sentenced to one year in the state penitentiary.

Mer L. Gardy, who pleaded guilty to three moral charges, was sentenced to one year on each count, the sentences to run concurrently.

Court was recessed until Saturday.

**EV. LANE ADAMS SPEAK ON HOUR OF DECISION**

Atlanta, Georgia. — The Rev. E. Lane Adams, associate evangelist of the Billy Graham Team, will speak on the world-wide Hour of Decision radio program, WQOM, from 1 to 1:30 P.M. Sunday, January 24.

Mr. Adams titled his message, "The Barrier is Falling." Now in its 11th year, the broadcast is produced by the Billy Graham Evangelistic Association, and is aired over 900 radio stations around the world every week.

As a part of his busy schedule of evangelistic meetings all over the North American continent, Mr. Adams held a campaign in Bay St. Louis last year. He moves to Baton Rouge this month to help prepare for the Billy Graham Crusade there in 1966.

Before he became a candidate for the ministry in 1951, Mr. Adams was in the radio and entertainment field. He began his association with Billy Graham in 1957, joining the Greater New York Crusade, and joined the Team in 1964.

During the war Adams was awarded three Air Medals and the Distinguished Flying Cross as a pilot in the Pacific. He is a graduate of the University of Mississippi and the University of Georgia.

Rev. Adams is a son of Mr. and Mrs. J. H. Goldman, of Bay St. Louis.

**MEETING POSTPONED**

The Friendly Neighbors meeting scheduled for Wednesday was cancelled because of illness of some of the members.

The next meeting will be held February 10, and the date will be announced at a later date.

**MEETING POSTPONED**

Our day of the Gulf Port Club meeting was postponed from this week to Friday, January 22.

The annual children's report will be given at the meeting on Monday, January 25.

## NASA AND GE EMPLOYEES MOVING INTO NEW OFFICES

GAINESVILLE, Miss., — About 100 employees of the National Aeronautics and Space Administration and the General Electric Company have begun moving into the new Office and Administration Building at NASA's Mississippi Test Operations this week.

The move heralds the opening of the test facility's first permanent office building. Only the north and south wings on the first floor of the three-story building are ready for occupancy this week, with the remainder to be completed during the next two months. The building will ultimately quarter some 750 persons.

NASA personnel moving into the building include William C. Fortune, Manager of MTO, and his office staff. Other NASA elements moving into the new spaces are the Plant Operations Division and Resources Management Division. These people, numbering about 25, will be located in the north wing of the building.

The south wing will be occupied by General Electric personnel, including William R. Eaton, General Manager of Mississippi Test Support Operation, and his staff. Others include all or part of Plant Services, Material and Logistics, Contract Operations, Finance, Communications and Laboratories, and the Technical Library. About 70 persons will be involved in the GE portion of the move.

Prime contractor of the 142,000 square foot building is Warrior Constructors, Inc., of Houston, Tex. Mississippi Test Operations is being established in Hancock County to static test the first two stages of the Saturn V moon rocket. Testing operations will begin in early 1966.

### EMPLOYMENT TAX RETURN DEADLINE FEBRUARY 1st

All employers in the Mississippi area have an important tax deadline on February 1, 1965. Mr. J. G. Martin, Jr., District Director of Internal Revenue, said this is the due date for reporting and paying income tax withheld and social security taxes for the calendar quarter ending December 31, 1964.

Employers should use Form 941 to report their tax liability for this period.

Mr. Martin pointed out that taxpayers who made timely deposits in the Federal Reserve Banks, or authorized commercial banks, have until February 10, 1965, to file their returns.

Circular E, "Employer's Tax Guide," which furnishes detailed information on this subject, is available upon request from the Internal Revenue Service.

### VEW COLLECTING ITEMS FOR FIRE VICTIMS

V. F. W. Commander Hugh Miller said VFW Barracks 3263 is collecting clothes, shoes and furniture for the Saunders Bell family who lost their home and all belongings in a fire Sunday evening.

Mr. Miller is asking anyone who has men or women's clothes or clothing and shoes for a three-week-old baby, a two and a three year old child to contact him at 7-6465 and he will pick them up.

### HIGHWAY PATROL REPORTS ACCIDENTS ON HIGHWAY 90

The Mississippi Highway patrol at Gulfport reported traffic accidents Saturday on Highway 90, causing property damages, but no personal injuries.

According to State Ptn. J. N. Jones cars driven by Ralph K. Schapp, Bell, California, and Price Johnson, Logtown, were involved in an accident at 4:30 a. m. Saturday three miles west of Bay St. Louis.

The patrolman reported the Schapp car received approximately \$600 damages and about \$100 to the Johnson vehicle.

Patrolman Jones also investigated a one-car accident at 1:30 a. m. Saturday four miles west of Bay St. Louis. He reported a car operated by John F. Hendrix, Houston, Texas, was a total loss.

finishing medical school. A member of Trinity Episcopal Church, Dr. Taylor has served as Chief of Staff at Gulfport Memorial Hospital, president of Pass Christian Rotary Club, Board Chairman of Pass Christian Golf Club, and has offices in Pass Christian Chamber of Commerce and Pass Christian Yacht Club. He is a past president of Mississippi State Medical Association.

Robert R. Allen is owner of Allen Electric Company in Pass Christian since 1936. Allen is a native of the Pass area, having graduated from Pass High as well as Perkinson Junior College. Well known, Mr. Allen has served in the military service.

### Ask Bids

Army Engineers have called for bids for the construction of a second test position in the giant dual position test stand being erected at the NASA Mississippi Test Facility for ground firing the first stage of the Saturn V moon rocket.

The Mississippi Test Facility, a division of the George C. Marshall Space Flight Center, will be used as a proving ground for the first and second stages of the Saturn V rocket before they are accepted for shipment to Cape Kennedy for launch. The Army District Engineer at Mobile is serving as agent for NASA in constructing the Facility.

The substructure for the double stand is being constructed by the Peter Kiewit Sons' Company and C. H. Leavelle & Company under a contract awarded by the Army Engineers in February 1964 and scheduled for completion in March, 1965.

The superstructure for the first test position is being constructed by the Malan Construction Department of the Koppers Company, Inc., under a contract awarded in July, 1964 and scheduled for completion in March, 1966.

Bids will be opened at the Corps of Engineers district office in Mobile on February 25 for the construction of the second test position. The work will include erection of a structural steel tower about 106 feet on the existing west pier; the provision of a flame deflector, platforms, piping systems including fire deluge piping; and utilities; and the construction of a steel instrumentation tower, a concrete observation bunker, a discharge tunnel and concrete pads and walkways.

Employers are required to furnish Form W-2, showing income and social security tax information, to all their employees on or before February 1st, according to Mr. J. G. Martin, Jr., District Director of the Internal Revenue Service.

## NASA News..

HUNTSVILLE, ALA. — The National Aeronautics and Space Administration has requested bids on the conversion of three former Navy barges for transportation of large space vehicle.

The barges are to be converted for hauling stages of the Saturn V launch vehicle which is to be used in the Apollo manned lunar landing project.

The request for quotation was issued by the NASA-Marshall Space Flight Center today. Bids will be opened February 5.

The procurement will require the successful bidder to furnish facilities, engineering, labor, materials and equipment for conversion of the barges in accordance with general specifications and plans.

These vessels were initially used by the Navy as floating warehouses, machine shops and for other support purposes. They are identical to two other surplus Navy barges which were turned over to NASA for the same purpose.

The three to be converted are each 261 feet long with a width of 48 feet and a hull depth of 15 feet.

Two of the barges are at Orange Texas, and the third is at New Orleans, La. The contractor will be required to tow the barges to his facility for work performance.

Two of the converted barges will be used as shuttle transports between Michoud and MTO. The third will be used as a shuttle between Port Canaveral, Fla. and the Vehicle Assembly Building at the nearby Merritt Island Launch Area, Kennedy Space Center.

Modifications to the main deck to accept the weight of the rocket stages, installing the water ballast system with its associated pumps, activating the direct current system installing the tie-down system and other such alterations.

The barges will not have cargo houses similar to those on the long distance barges used to transport rocket stages from Huntsville to Cape Kennedy. MSCF barges Palasom and Promise have large deck covers to protect the cargo from the weather.

The Saturn V booster, the S-IC, 33 feet in diameter and about 138 feet long, will be manufactured by the Boeing Company at the NASA-Michoud Operations plant in New Orleans.

The second stage, the S-II, also 33 feet in diameter, and the S-IVB third stage, nearly 22 feet in diameter, are produced in California by North American Aviation, Inc. and Douglas Aircraft Co.

**MEETING POSTPONED**

The regular meeting of the Citizens of Columbus scheduled for January 18 was postponed to Monday, January 25.

## Hancock Bank Elects Directors

Leo W. Seal, Jr., president of the Hancock Bank announced today the election of Seal paid tribute to the bank's customers and the citizens of the area for having enabled the bank to realize the growth it has experienced during the year and pledged continued efforts to offer more and better service.

He advised the stockholders that the newly created Travel Department has received enthusiastic reception by the bank's customers; that progress on the new Data Processing program which will use the General Electric 415 Computer was on schedule and that construction on the addition to the Long Beach Branch would commence this month.

He further pointed out that the activity at the Gainesville MTO (NASA) Branch continues to increase and has proven to be most helpful to the permanent personnel as well as contractor and construction people who are building the site.

Those elected to the Board of Directors and Advisory Committee are as follows:

From Bay St. Louis was Norman Renshaw, life-long Bay resident who owns and operates H. S. Renshaw, Inc.

a foreign freight forwarding company. His firm, incidentally, is responsible for numerous steamship sailings in and out of the Port of Gulfport each year.

Mr. Renshaw is a graduate of St. Stanislaus, a member of Our Lady of the Gulf Catholic Church, and has twice served as Commodore of the Bay-Waveland Yacht Club, is past Chairman of Board of Pass Christian Isles Golf Club and is a past President of the Export Managers Club of New Orleans.

Also, W. Ray Gordon, a Waveland resident for the past eighteen years is currently Sales Manager for Main Office Equipment Company, Southern Mississippi Territory. Prior to this he served for 15 years as Branch Manager of New Orleans Division of National Cash Register Company.

Active in civic affairs, Mr. Gordon has served as President of Mississippi Coast Council of Chambers of Commerce, President of Bay St. Louis Rotary Club, President of Hancock County Chamber of Commerce, is General Chairman of St. Joseph Carnival Association and is a past President of Executive Club of Louisiana.

Named from Pass Christian are Dr. C. D. Taylor, Jr., and Robert R. Allen. Dr. Taylor, a graduate of Pass Christian High School and Tulane University, has been practicing medicine in the Pass since

## LAKESHORE AND CLERMONT HARBOR NEWS

By Aline (Pee Wee) Courge

Through the cooperation and consent of Mr. H. E. Ming, president of the Clermont Harbor Civic Association, I am able to make the following statements concerning the Civic Association. During the past few years, the association has worked hard and tried endlessly, with little help to better the community of Clermont. They placed lights along the beach Blvd. they do the upkeep on the Clermont public pier, they maintain unoccupied lots, they help in fighting fires and disposing of fire hazards and other emergencies that may come up.

I, as a teenager, know that they have also worked and assisted in trying to keep the local youth center open. When everyone else failed us they were always there to help us. The newly elected officers are: H. E. Ming, president; Mr. H. L. Moffett, vice president; Mr. Russell Elliott, secretary; and Mr. J. G. Goodlow, treasurer. They are asking for everyone's help and cooperation. Meetings are held the third Saturday of every month, with the exception of this month. The meeting will be January 23, 1965, at 8 p.m. in the Clermont-Lakeshore Youth Center. By attending this meeting you will not only be able to assist them and find out more about your community, but you will also be able to be with friends and neighbors. It is very urgent for a good crowd to attend this meeting, so everyone get out Saturday night and show your interest in the welfare and state of being of Clermont Harbor.

Deepest sympathy is extended this week to Mrs. Viola Perkins of Clermont upon the death of her brother, Mr. James McClelland.

Claudia's Beauty Salon in Clermont Harbor will be closed for the coming week, as Miss Claudia Klein, owner and operator, has to undergo an operation in the Hancock General Hospital.

We wish her a speedy recovery and hope to be seeing some of her famous and fabulous hair-dos real soon. Hurry back, Claudia. We need you desperately.

Mr. and Mrs. Henry Kothmann have had as their guests for the past few days Mr. Kothmann's mother, from Louisiana.

Mr. and Mrs. George Green, who celebrated their 21st wedding anniversary, January 15, were pre-

sented a beautiful anniversary cake from their children, Pat, Wayne, George and Pam.

We wish to extend get-well wishes to Mrs. Green and daughter, Pam as they were both in bed with the virus.

Related birthday wishes go out to Louise Green, who celebrated December 28th; special belated wishes to Mrs. Henry Kothmann who celebrated January 14th.

Get well wishes go out this week to Mrs. Robert Spahr who is hospitalized in Oschner Clinic in New Orleans; to Mr. Arthur Smith who is in Hancock General; to Mrs. George Neceise, Jr., who is recovering from an automobile accident; to Kay Johnston, Lee Klein, and Mrs. Joe Johnson's who have all been on the sick list.

Through cold, snow-covered fields, underneath ice-encrusted trees, the river runs its course.

This brings to mind the Christian Church. It was founded upon the teachings of Jesus who lived His life and did His work unperturbed by the coldness of many of His fellowmen and of the ruling officials. He knew that His work would stand because it was founded upon truth. It not only stood, but has flowed steadily on for centuries. It is still going on today in His churches.

If you do not attend church services why not go this coming Sunday, and identify yourself with this steady flow of the best for which life stands?

There is always room in the river for one more drop of water. There is always room in the Church for one more worshipper.

THE CHURCH FOR ALL - ALL FOR THE CHURCH						
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and read your Bible daily.

# SOIL CONSERVATION NEWS

It pays to have a plan.

You wouldn't build a house without a plan. The same applies to conservation farming. Smart farmers first find the capabilities and limitations of the soils on their land. Some soils have little or no limitations. Others are limited to pasture and woodland or woodland alone.

After taking inventory of the capabilities of the land the next step is to make a conservation plan that will put each acre to work at its best use. This plan is a blueprint of the farming operations that you plan to carry out.

The plan may include cropland, grassland, woodland, wildlife and recreation, or a combination of uses. Fields are numbered and divided by land use and conservation practices to be applied.

With conservation plan in Hancock County, planning assistance is provided to C operators of the Hancock County Soil Conservation District without charge to the landowner. The S.C. Conservation Service supplies trained soil scientists and conservationists to assist the District and to help farmers who ask assistance from the District. A Conservation Plan is made on the land with the owner or operator.

# CELEBRATE BIRTHDAYS

Hansen and David Koch celebrated their 14th birthdays with their classmates from St. Stanislaus at a party over the weekend at the Kiln home of their parents, Capt. and Mrs. H. G. Koch. The Kochs and their children, Mr. and Mrs. George Koch of New Orleans, La., Linda, Hansen and David spent the holidays in Aspen, Colorado.

## What They Wore...by PHYLLIS JOYCE

LINGERIE HAS HAD A STRANGE HISTORY. WOMEN'S "UNDER-DRAWERS" WERE FIRST WORN BY MEN. IT WAS NOT UNTIL THE 16TH CENTURY THAT A KNITTED GARMENT LIKE AN ELONGATED STOCKING OR TIGHT (CALLED OSELA DRAWERS OR CALLECONS) WAS DEVELOPED FOR THE WOMEN OF THE FRENCH STAGE.

THE PETTICOAT OF THE 17TH CENTURY IN EUROPE WAS IN TRIPLICATE. THE OUTER LAYER WAS CALLED A "MODEST" THE SECOND WHICH OCCASIONALLY WAS ALLOWED TO SHOW THE "RASCAL" AND THE INNER SKIRT, THE "SECRET".

UNTIL THE 1920'S THE PETTICOAT WAS THE ONLY TYPE OF SLIP USED. THE SLIP AS WE KNOW IT CAME INTO EXISTENCE DUE TO THE NEW ONE-PIECE DRESS OF CHANEL AND VONNET.

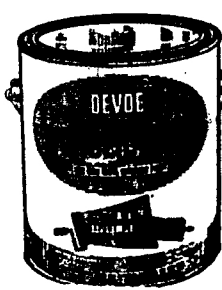

TODAY...WHEN BUYING LINGERIE AND LOUNGE WEAR, LOOK FOR THIS LABEL...THE SYMBOL OF DECENTY, FAIR LABOR STANDARDS AND THE AMERICAN WAY OF LIFE.
